## Vilnius bar map – six tasty stops in Vilnius Old Town

As early as the 16th century, Vilnius Old Town was famous for its snug and stylish places where city residents and visitors spent their evenings. Small taverns in narrow and cosy Vilnius Old Town streets greet all guests with palate-tempting drinks and meals. If you are attentive enough, you may hear many intriguing stories of Vilnius city life. Discover the city by visiting the most interesting bars with the six tasty stops map! It's great entertainment for friends, a perfect way to relax for company staff after an annual meeting or similar event, and a good idea for incentive tourist groups.

On the map you will find tickets that you can exchange for snacks and drinks at the Old Town bars that appear on the map. The bars will have posters on their doors with your company logo or event name, so it will be very easy to find them.

## Lithuanian cuisine secrets

It seems that Lithuanian dishes are easy to cook. Some people say we eat just potatoes :) We suggest to try to make some of our traditional meals such as „Zeppelins“, pancakes of potatoes, cold beetroot soup together with professional chief at well equipped kitchen at „Cooking Academy“.

Duration – 2 hours. Maximum 10 people cooking.

## Beer degustation from small breweries

Beer tasting is lead by an independent beer expert who tells shortly the history of beer in Lithuania, sharing some interesting facts and funny stories. From 5 to 10 brands of beer are offered for tasting (100 gr of each). You hear the story of each brand of beer you taste, accompanied by the history of the brewery. At the end of the tasting all participants are given the Lithuanian Beer Expert Diploma. Beer degustation can be combined with tipical snacks like fried bread with cheese or smoked cheese or combining with traditional lithuanian dinner.

Duration – 2 hours.

## National cuisine tasting

Lithuanians cannot imagine their life without potatoes. Therefore, the highlights of Lithuanian cuisine are all types of potato pancakes and potato dumplings. The most famous ones are the so called „zeppelins“ (potatoes dumplings with curd or meat inside) because they are shaped in the form of a zeppelin. Other traditional dishes include cold beetroot soup, herring made in various styles and white cheese with honey.

## Art and Crafts

People with an interest in traditional arts and crafts are invited to participate in a range of workshops organised by some of the country's leading professional artists and craftspeople. Participants are offered hands-on experience of several arts and crafts including the art of the blacksmith, wood-working, ceramics, amber, textiles and other time honoured traditions.

## Hot - Air Ballooning over the Old Town

Vilnius offers a truly memorable experience gliding over its charming Old Town in a hot air balloon, something most cities simply don't allow. Enjoy the wonders of quietly floating a kilometre above the ground and looking down in wonder at its architectural glory and drifting out over the breathtaking countryside.

## Break Room – escape and hint hunt game

It is a fun new escape game full of puzzles and excitement that will take you on a magical journey. Different themes can be offered (pirate ship, KGB prison, space ship, etc.). A team of 2 to 10 people will have 60 minutes to find and solve various tasks, reveal the secret of the room and escape it. One hour seems like a long time, but the pressure of having to solve your way out will make every second seem precious. Spend more time and you will lose!

## City Orientation game

A City Orientation activity is a wonderful way to discover Vilnius or other city in an active and entertaining way. Our exploration games can be adapted to any group size or time frame and can be self-guided or a guide can be provided. They are perfect for corporate events or educational study groups visiting the city. A fun, active and competitive game is perfect to provide a break from meetings and seminars.

Our Vilnius City Orientation game provides a series of points that each team must visit to photograph or find specific information. By following the clues and using their maps, groups will be shown around the city to many of the most impressive sights and buildings. This is a sightseeing tour with a challenge.

City hunts can be performed on foot, on bicycle or by using public transport. The last two options provide contestants to cover more ground, and see more of the city. We tailor each game to the needs and wishes of the client, so simply get in contact with us, and we can create the perfect Vilnius City Orientation game for your group.

## Activities in Trakai

Trakai (25 km from Vilnius) is famous for its fairy-tale red brick Gothic castle on a pretty lake and for beautiful landscape with green forests disappearing into the distance. It is also famous because of Karaimes a small ethnic group which resides in Trakai. Tasting of their national dish, Kibinai (meat pastry), is a must for every visitor.

## Medieval history

This small settlement offers a variety of incentive activities:

A short tour of the medieval Castle combined with a special exciting activity – shooting from medieval bows and arbalests is a number one choice for adventure lovers. It can be organized even Medieval weapon tournament shooting from crossbow, archery (long bow) and axe throwing, inside the castles yard. Another alternative is to see the fights of medieval knights.

## Boating and eating

After shooting, romance lovers are invited to jump on a viking style ship or a wooden traditional Lithuanian ship that will wait near the castle, as it is constructed on an island in the middle of three adjoining lakes. The trip on water will show the beauty of the castle and its surroundings. During the trip Karaimes national dish Kibinai (meat pies) will be served on board with Lithuanian beer.

## Boutique chocolaterie

And once the sailing is over, the final stop is at a small private boutique chocolaterie – a paradise for any sweet tooth. And when the chocolate is hand made, crisp and fresh, fabulously handled and simply born in front of your eyes – it is a really sweet pleasure to taste it. Here you will be able even to make yourself the best chocolate masterpiece ever!

## Summer Jazz festival in Trakai

Every summer Trakai becomes a small Jazz capital. We suggest to get know Trakai in different way, sailing with ship around the island castle and listening jazz concerts, trying lithuanian beer.

## Swamp Hiking

If you yearn for adrenaline-boosting activity, try Swamp Hiking, a trek through natural swamp with a variety of paths and small islands which are often compared to the Amazon rain forest. This two-hour-hiking tour guarantees an extreme experience, unforgettable impressions and natural SPA facilities.

## Soviet sculptures park

Grutas Park located 100 km from Vilnius, where a unique collection of Soviet ideology sculptures and monuments occupies a 2 km long territory. Taken from all over Lithuania, numerous Lenins and other leaders of the Soviet regime stand peacefully in the picturesque surroundings of the park. The souvenir kiosks would be a delight for those searching for Soviet attributes and publications.

Lunch at Grutas park cafe from „Soviet“ menu.

Duration – half day.

## Druskininkai – Lithuanian SPA capital

Druskininkai is a delicate little town located in the South of Lithuania and famous for its mineral water springs and various SPA treatments. Conveniently located just 130 km from Vilnius, the resort attracts numerous people from Lithuania and abroad, all seeking quiet, relaxation and body treatments. This place is famous by the healing mud and mineral water baths as well as treatments with amber.

## “Pirtis” - Lithuanian sauna

Lithuanian sauna called pirtis has deep traditions in Lithuania, for lots of Lithuanians is a must to spend the weekend there. We invite you to visit Druskininkai – SPA resort (130 km from Vilnius) and try sauna amenities. Druskininkai Aqua Park is unique in its area of 20 bathhouses with original interior design. Tranquil environment meant for passive rest is created in the bathhouse area. You can feel genuine pleasures provided by dry and steam baths by way of participating in bathhouse programmes guided by professional bathhouse assistants.

## Snow Arena all year round

Druskininkai Snow Arena – the only winter activities complex in the Baltic countries that works all year round. Three skiing slopes and snowboarding park are arranged in the area of 8 hectares. It's a part of a package that Druskininkai as the biggest SPA resort in Lithuania offers: active time skiing and after a relaxing time having SPA treatments in the biggest SPA and Health centers in Druskininkai.

## Trip by the narrow gauge railway train

Narrow gauge railway of Aukštaitija, otherwise “Siaurukas”, is a unique open air museum, which celebrated its 114 anniversary this year. A narrow-gauge railway line was built in 1899. This was the time of black engines and wooden carriages. Now it is a unique object of engineering heritage. Trips on the narrow gauge railway are combined with different educational programs and cultural events.

Very typical attraction is a few hours trip with entertainment of musicians with a goal to reach XIX century train station where the winemaking history would be presented. You will degustate black currant wine, which is established as Lithuanian national heritage, unique black chokeberry wine or apples wine together with some Lithuanian cheese collection.

This educational trip is for organized groups up to 80 people. Trip duration from 2:30 to 4:00 hours.

## Recreational and sightseeing tour "The Secrets of Catching Amber"

During the tour you will find out about the origins and properties of amber and see an original collection of guide. Amber catching, picking and gathering tricks will be disclosed to you. The bravest will be able to try their strength with a scoop net in the sea waves. Of course, everyone will come home in jovial mood carrying pieces of amber!

Duration of the tour – 2 hours.

## Recreational and sightseeing BEER TOUR in the "ŠVYTURYS" brewery

Forget daily works, and leave all cares behind. Many have tasted "ŠVYTURYS" beer, but do you know why it is famous worldwide? Let's go together on the recreational sightseeing BEER TOUR where you will learn about brewing traditions and get an opportunity to watch brewing process. The first part of the tour includes acquaintance with the brewing technology. If you are lucky, you may come across the 'magic tap' from which you will be able to taste the brand fresh beer coming straight from the brewery! And the second part of the tour is the funniest – tasting of three brands of beer! Curious and merry stories and jokes, a glass of cold "ŠVYTURYS" beer and, foremost, a company of friends and colleagues is the best formula for a relaxing and memorable time.

Duration of the tour – 2 hours. Groups 5 to 50 persons received.

## Photohunt in the Curonian Spit

After hard day working you deserved to relax. Get know Lithuania in a different way! Photohunt in the Curonian Spit is a leisure game which involves the participants in a funny, creative and amusing photo action of searching and shooting given themes.

Duration – 3 hours. Possible different size of groups.

## Blokart landsailing

You are welcome to the Blokart world which means fun, speed and racing! Blokarts are small land- and ice-sailers and one size fits all sailors from 6 to 106 years old.

We sail on an unused asphalt airfield in Nida, on the Baltic Sea beach in Baltic states and during the winter - on the ICE. Our qualified instructors will show you how simple is to handle a blokart. After a few minutes you will be able to manoeuvre the blokart by yourself and will chase the wind with a smile over all your face!

## Lithuanian Venice

There is a place in Lithuania called Little Lithuanian Venice. Its Minge village – small fishermen village where houses are located on both sides of the river Minija that seems to perform the functions of the street. In rural areas you will see a kind of old fishermen's farmhouse architecture typical of the whole Pomeranian region. A great fun – swimming through Minija by boat till the Curonian Lagoon. Beautiful images - polders, lighthouses, Vente Horn, Curonian Spit, Nemunas Delta islands. Possible stop at bird banding station where you could do birds watching. During the trip you can do fishing and after on shore to taste really great fish soup made by boat captain.
